More Important News

Christopher Leebrick

It is that time of year when our favorite storyteller Christopher Leebrick will be back at Sage Elementary! Christopher Leebrick is a world renowned storyteller from Eugene, Oregon. This will be Leebrick's eighth year coming to Sage to tell the story of the Grinch and other world folk tales. This year, because of the success of the Walk-a-Thon, we are able to have Leebrick here for the whole week of December 5th- 8th. Leebrick will be visiting the classrooms to tell stories and work with the students on storytelling. Please ask your child about their experience and ask them to tell you one of the stories! More information about Christopher Leebrick can be found at <https://allgoodstories.com/>.

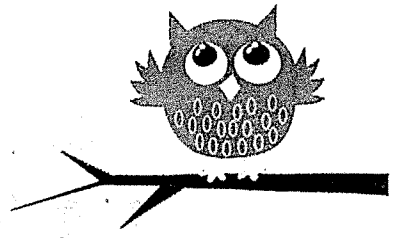

"Storytelling may be the world's oldest art form. The need to hear and tell stories is inherent, and through the power of story we can grow in our understanding of what it means to be human." – Christopher Leebrick

Holiday Store

We will be facilitating our annual Holiday Store here at Sage Elementary. The Holiday Store will take place during the school day on December 12th, 13th, and 14th. Students will be able to purchase items for their family members to bring home for the holidays. If you would like your child to participate, please plan on sending money to school with them. This is also a good time to have your child think about a list of people whom they want to buy gifts for so that the buying process runs smoothly. We will be helping the students during the event. All items for sale will be priced from \$0.25- \$5.00. Look for more information about this in your child's backpack.

Box Tops for Education

Please continue to clip and send in Box Tops. You can attach them to the collection sheets or send in a bag. Please label with your child's first and last name and teacher's name. Extra sheets can be found on the PTC board in the main hallway. You can earn extra box tops for our school by downloading the Box Tops App on your smart phone or tablet. It is easy to do and it will help us reach our goal!
