Hello Sage Families!

We are off to a great year at Sage! We had a very successful Walk-A-Thon that raised over \$11,000.00! The money raised from that event is being used for reading programs in the classroom, Christopher Leebrick, world renowned storyteller, an art teacher in the spring, and \$1,500.00 will be going to the library to provide new books for all students to use!

We would like to continue to give money to the school to help supplement programs such as: field trips, teacher classroom funds, positive behavior incentives, teacher and staff appreciation and much more.

Thank you for your continued support in your child's education!

### Wreath and Cherrydale Catalog Fundraiser

This year we are participating in a Catalog fundraiser along with the wreaths. The company that we are partnering with is Cherrydale. The company has many incentives for the children when they sell items. We encourage you and your child to visit Cherrydale's website and register. This way you can invite friends and family to shop online. Please check your email and Facebook for more information. *Can you be a Hero?*

The wreaths will be coming from a company named Teufel Holly Farms, Inc. They are a local company out of Portland. A few samples of what we will have available to order are located in the front office. They are a perfect touch for the holidays!
