Notes From Nurse Karen...

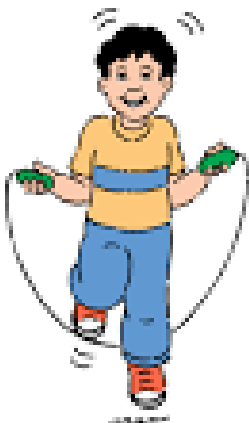

- Please do not send medicine (including cough drops!) to school with your student. Parents need to bring any medicine for their student into the office and fill out a Medication Authorization Form.

- Attention parents of 1st and 2nd graders! Kemple Dental Clinic will be providing FREE dental sealants during the school day on February 27 & 28th. If you would like your 1st or 2nd grade child to receive this service, please return the consent form by **Friday, February 9th**. Many parents submitted the consent forms back in October prior to Health Screening Day. Dental sealants are plastic coatings put on the back teeth to seal out germs and prevent cavities.

The Medical Authorization and the Dental Sealant Consent Forms can also be found online at Sage Elementary School's website.

2018 JUMP-A-THON

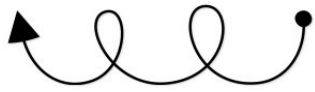

The Jump-A-Thon will be held in PE during the weeks of February 7-21. The funds raised pays for new PE & Playground Equipment, the Run/Walk Club and our amazing Field Day. Students who raise \$15 or more receive a t-shirt. There are more incentives listed on the flyer that went home with students. Students may bring in their pledge sheets anytime to Ms. Pinkerton. The class which raises the most money gets extra Field Day time!

FEBRUARY'S CHARACTER TRAIT

Honesty: To have integrity, honor, high morals, ethics and principles. All month long staff members will watch for students practicing honesty.

PARKING & PICKING UP

Sage's front office is extremely busy, especially at the end of the day. Please be a respectful partner and honor our request so all children get home safely. Here are some ways you can help!

Call before 2:30pm (1:30 pm on Wednesdays) if you need to change your child's after-school plans.

Please notify the office, as early as you can, if you are picking up your child for an appointment.

This way, we can plan ahead and notify the teacher and student via email and an early leave slip. This is an effort to **limit interruptions to the classroom**. Also, when a parent shows up without prior notification, it may take the office a longer time to locate the student if they happen to be somewhere other than their classroom. We want you to be on time to your appointment! Please help us to help you.

Finally, please do not pick up your child early in order to avoid parking lot congestion. The end of the day activities are very important for a student's success. The teacher is reviewing homework, giving reminders, finishing up instruction and bringing closure to the day. It also interrupts the end of the day for other students.

(541) 316-2830

First semester ends on Thursday, February 1st for RSD Elementary Schools. **Report Cards will be sent home with students on**

Wednesday, February 7th. Be sure to check your child's backpack! You can also check your ParentVue account to see the report card online.
