

Redmond Food Drive

Each year Redmond Fire and Rescue partners with your child's school for our annual canned food drive. The canned food collected from this program goes directly to NeighborImpact's Food Bank to help feed families in need here in Central Oregon.

- The classroom at your child's school that brings in the most canned food will win a pizza party with some of our wonderful firefighters. The pizzas for these parties will once again be donated this year by Pappy's Pizza.

The food drive will end on December 20th.

Need items:

Canned Vegetables (green beans, corn, etc.)
Canned Meats (tuna, corned beef, chicken, etc.)
Canned Fruits (peaches, pears, mixed fruits, etc.)
